As You Can See...

By adding \$300 a month extra to the new mortgage they will **save \$76,000** in interest expense.

They will also shave more than 15 Years off their payments.

And...

By adding \$605 a month extra they will **save \$96,544** and over 20 Years of payments.

They will pay off their home in **less than 10 Years!**

Wait, There's More...

Wouldn't it be great if you had the option to show Bob & Betty how to "Build Wealth"?

For Example:

Step 1:

Follow your accelerated payment plan and pay off your home in 10 years

Step 2:

Take the monthly payment you were making and invest it for 20 years
